At the evening, I had a Sukiyaki party at breakthrough project member's house. I took a subway from Hakata Station to Fuzisaki Station.

On the way to party, I saw many people in the street. It's looks had some event. Then I decided to walk around the street before I will join the Sukiyaki party. At the event, I saw many Children provided a lot of entertainment and there have a variety of food shops for sell. I tried to eat some snacks from this event. I think this event is the same as Thai temple fair.
