

Exchange student in Japan

Narusorn Veerachartwattana(ピーチ)

August 7.2016 , Nagasaki

Today is my first holiday. I woke up and went to shopping mall around 10.30. Before we went to shopping mall I and Mr. Satoshi went to bus terminal check about ticket and timetable because Mr. Satoshi needed to go back to Fukuoka today. After Mr. Satoshi came back to Fukuoka I went to shopping and watched basketball event in front of shopping mall then came back to accommodation. This is not first time I lived alone in Japan and Japan was a safe country so I didn't have anything to worry about. Thank you Mr. Satoshi that always gave me advice.
