July 27.2016,Fukuoka

This my first time go to Fukuoka, Japan and my first time as exchange student. I really excited since I was in airplane. I wonder how Fukuoka city look like and people we have to meet. Mr.Abiru and his

students come to take us at the airport. We talked about what we have to do here while we are live in Fukuoka. First place that we go today is Seminar house, We meet many new friends here Mr.Dai , Mr.Shougo and Ms.Misato. Mr.Abiru tell us how was the schedule today and the objectives of this project. He let us decide about what

companies we want to do. After this, we went to take lunch at Chikae restaurant. The restaurant is look good and food is delicious.

Most I love is Mentaiko and I knew after I come back to Seminar house that Mentaiko is famous food in Fukuoka. Then we went to Game center around Tenjin area. We took a photo in the machine call “Purikura” . It was amazing because you can decorated your pictures and your eye will look bigger than normal.
