Today we had to move to new accommodation call “Neko Guest house”. Our host name is Ms.Kaneko and she speak english very good. She told us just call “Nekosan” because it easy for us to call this name. Nekosan took us to see around accommodation and guide us where can we buy food and stuffs. Then we have to go to eat lunch(Thai Restaurant) with Businessmen.I felt tense a little because

I didn't know that today I had to meet them before and don't know how about japanese tradition when meet elder. After this Professor Abiru took us to Tenjin area by his car. He told us that this is place that teenager like to come and he send us in front of Ippudo Restaurant. Ramen in Fukuoka is well know as “Hakata Ramen” or we call “Tonkotsu Ramen” but here it is unique.

We go observed around here and realized that this is place that we come to eat dinner on 27<sup>th</sup> July (Takoyaki Paradise). We look goods in

shops , Restaurants and go to Game Center. About shops, I think it has many things look good and I loved fashion here. Most shops like to do mix&match set . About restaurants I see many of them look interesting but I wonder that some of them is in the building 2<sup>nd</sup> floor or 3<sup>rd</sup> floor. I wanted to know how to persuade people to eat their restaurants if restaurants didn't famous. In Game Center we played crane machine. It look like we have lost money and get nothing because we didn't know trick how to do it but it really fun. I found some crane machine that look interesting that is "ICECREAM Crane Machine" I never see it before. Then we took a train come back to Neko Guesthouse that locate at Takeshita Station. At night we went to supermarket near guest house and bought something to eat.
