At University , I can said that it look beautiful and modern. We met everyone at classroom. Mr.Abiru tell everybody in classroom to introduced yourself and the objective of this project again.This is my first day that I met my leader of Memolead Group Mr.Satoshi. Then we went to karaoke with Mr.Tsusumi , Mr.Naoki , Mr.Joe and Ms.Yuki . We sing songs together . First I didn't want to sing because I know that I'm not good at singing but Mr.Tsusumi told us don't worried about that. Mr.Tsusumi and Ms.Yuki are good singer. They sing songs very well. We are really enjoy. I sing a song name "Sukiyaki" with Mr.Tsusumi and I heard it before. Luckily that I can read Hiragana.I used to read that japanese people like Karaoke and I didn't go to Karaoke for a long time. After karaoke end we came back to Guesthouse.
