Today Mr.Shougo volunteer to take us to Yanagawa and Dazaifu. He came to take us at Neko Guesthouse to Tenjin station. We met new friends here Ms.Momoe and Ms.Iri . We receive ticket pass from Mr.Shougo that can use for transportation round-trip, shuttle bus ,cruise in the river and Unagi(Lunch) . First, we went to Yanagawa to cruise in the river. After this, we ate Unagi (Bamboo-steamed eel) at Unagi Seiro Mushi. River in Yanagawa look very clear

I think this is good than my country. While we on the boat, Sailor will point and tell us the history here and sing a song too. Unagi is very delicious .It seem Unagi is very famous food here. I would love it. Then we went to Dazaifu. I used to read on the internet that there is top 10 most beautiful Starbuck shops here. Second ,We went to Dazaifu Tenmangu Shirne. This place is famous about Learning. People came to pray for their learning or pass the examination.
