At the evening, I had a dinner meeting at Affro Dite Restaurant where is a Italian restaurant near Yoshisuka Station. I went there with Kan, Neko, Neko's daughter, Mrs.Jun, Mrs.Jun's daughter, Mr.Yoshinori and Ayaka.

This restaurant have a Gerato buffet, all you can eat in 90 minutes, and I ordered Pasta cream sauce with Mentaiko. After that we talk a lot of topics such as how I joined with internship

program in Japan, what I learn from Japanese culture/people, what is different between Thailand and Japan and etc.

Mrs.Jun recommended me that I must try to go flea market where have many a second hand shops in Fukuoka because all of goods is cheap. And Mr.Yoshinori told me that he can take me and other Thai students to sightseeing somewhere in Fukuoka if I want. Mr.Yoshinori have a plan to go Thailand next year. Then I recommended some place to him.

I play a cards with Mrs.Jun' dughter. She's only 11 years old. She looks cheerful and clever so much. She can read English book by herslef. I think they are nice with me so much. I'm happy for met eveyone today!
