Today I had a BBQ Meeting with Daichi who is a Leader of Kubara Honke project and members of Hakuunsha project. I took a subway from Takeshita Station to Fukudaimae Station for meeting all of them.

After we met at Fukudaimae Station, I was picked up by friend's car. I think we spent 30 minutes from Fukudaimae Station to BBQ meeting. When we arrived, I'm surprised so much. Because I don't know before that BBQ meeting is in Keya Beach in Itoshima!

I think Keya Beach is a great place for summer. I saw many people were enjoying with their activities such as sunbathing, swimming, taking a photos, playing ball, surfing, boating, walking, and eating BBQ. Mostly Japanese women wore bikini.

After I observed, I went to BBQ huts where is very near the beach. My Japanese friends prepared a lot of meats, sausage, sauce and soft drinks for doing BBQ.

After that we played a ball and sand until the evening. All of Japanese friends are so funny and kind. Today I feel enjoy and happy so much. Then we retuned to Fukudaimae Station. Before I came back, Daichi taught me some Japanese words. He told me that when you feel happy and thankful for today you must say

"o-tsu-ka-re-sa-ma-de-shi-ta" and when I said that, he answered to me "do-ui-ta-shi-ma-shi-te" it mean you're welcome. I think today is a good memories for me. I feel thankful to everyone for made my day.
