Today I and other Thai students had a presentation about our 1 month internship in Fukuoka. We had a presentation at seminar house. Today had a many people joined to see our presentation such as Japanese students, Mr.Dai, Mrs.Neko and Mrs. Jun. Today I spoke a lot of topics such as what I learn from Japanese people, Kubara Honke project, the sightseeing place that I been to, Japanese foods, etc.

After finished the presentation, Japanese students brought me to British Pub Morris' Hippo where is in the ground floor of River Rain Building. We ordered a lot of meals and beers. We spent time to talk, eat and take a photos together. I'm feel happy so much. Today this is my last time to meet some Japanese friends. I really feel sad. I believed that one day we will meet again.
