At the evening, I had a meeting with Kubara Honke project and Hakuunsha project. We went to Japanese restaurant where is near Tenjin area. At the restaurant, I met new friends in Kubara Honke project which I will join with. We ordered many dishes such as

"Karaage" it is a Japanese Fried Chicken

"Soboro Don" it ia a Japanese Fried rice

"Takoyaki" it is a ball-shaped Japanese snack made of a wheat flour and filled with octopus

But the best dish for me is Takoyaki. One of Japanese friends gave Tokoyaki dish to me and I feel appreciated with it so much. Because on the dish was written by Mayonnaise sauce that "Welcome to Japan Lookplaa".

Moreover, This my first time for drank Sake. Sake is a Japanese alcoholic drink made of fermented rice, koji and water. I think it's taste like a white wine.

Before we went out from the restaurant, a waitress gave banana to me. That made me feel confused so much. But Japanese friends told me that she gave it for thankful and It's a Japanese tradition.
